

HELMET QUIZ

Traditionally, a driver’s helmet colour scheme is their ‘business card’.

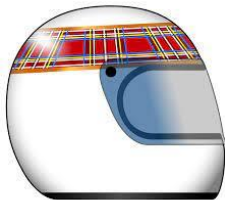

There have been some iconic helmet designs throughout motorsport history. Many are closely associated with legendary drivers.

Look at the images of the helmets below and write the name of the driver that the helmet belongs to. Some of them belong to drivers from a long time ago so you may need a bit of help from an adult if you get stuck.

1.

2.

3.
